A Message from our Student Body President

When I came to Crenshaw three years ago I was very impressed with the school spirit, pride and motivation. I soon realized that it takes a special kind of person to be a Cougar. I then decided to devote my time and myself to Crenshaw, home of the mighty Cougars.

As Student Body President I've tried to maintain that same kind of spirit, pride and motivation that I witnessed as a sophomore. And now more than ever I still believe that it takes someone special to be a Cougar.

I've worked with the administration and student body to make Crenshaw a comfortable yet educational school. I've also worked diligently for activities that sophomores, juniors and seniors alike could actively participate in.

Being "The Shaw's" president was not an easy job. Nevertheless, if I had it to do all again I wouldn't change a thing.

Unfortunately, I couldn't meet and talk with all of you. Yet without each and every one of you the 1979-80 school year would not have been the success that it was.

Crenshaw, you have given me very precious memories, something no one can ever destroy. I thank each and every one of you from the bottom of my heart. And I wish all of you all the love and happiness in the world.

May God bless you and yours in the future.

Love always,
Carole Renee Pinkney

As senior president I have tried with my complete interest and respect to fulfill my job to the best of my ability. As president I have tried to be a dynamic leader as well as a follower of all the rules and regulations.

I have enjoyed my past three years at Crenshaw, representing many clubs and committees, trying to be a vital force in leadership.

As president of the class of classes, I'd like to wish the class of 1980 a very distinguished and prosperous future.

President's Message

I'd like to tell you a little about the present and the future. 1980 is the year of taking care of business, like choosing our class name, motto, colors and prom and after-prom sites. And after these items have been chosen we have to order T-shirts, sweaters, buttons and ID cards.

This takes a lot of work and plenty of time. But when '81 comes we will have all the important business taken care of and we'll be ready for some enjoyable games, activities and entertainment.

I'm not saying all business aside, because you're never through. What I am saying is '81 is going to remember the past, conquer the present and prepare for the future. Because we are the best and we will style in our powder blue and black.

—Koi Kennedy

Knights

The Knights is the senior young men's organization. Membership requirements include a 3.0 GPA, teachers' recommendations and a one-week training period.

The Knights specialize in school and community service, as we are called on in many situations to help. We serve by selling tickets at football & basketball games, ushering at assemblies, helping faculty and helping to sponsor events for the benefit of the student body.

Ladies

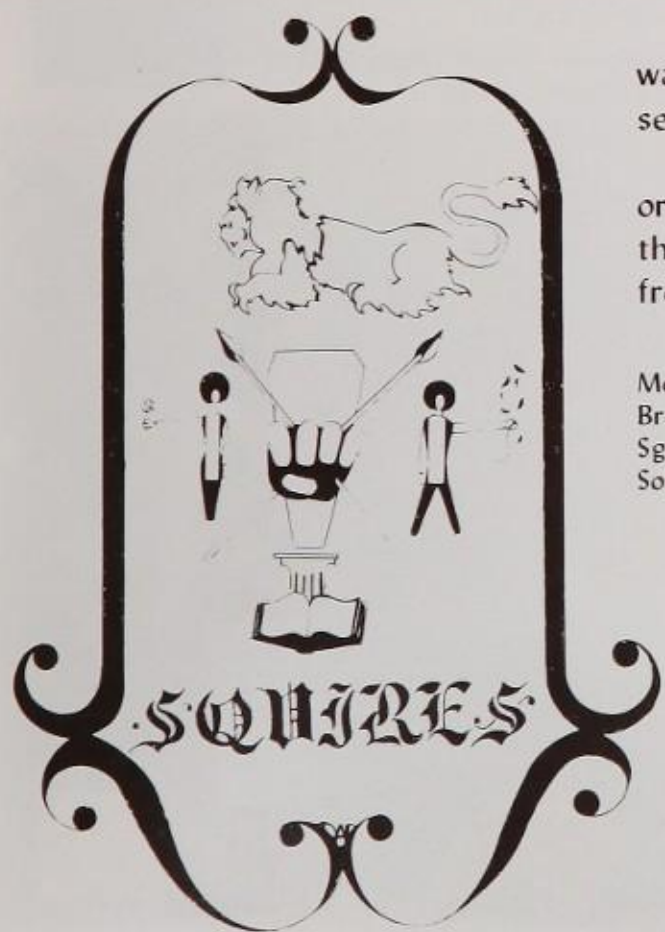

The Ladies organization honors outstanding girls in the school by membership. It serves Crenshaw in all ways possible and helps represent the school in its contact with the public. The Ladies endeavor to establish a precedent to be admired & followed by other Crenshaw students.

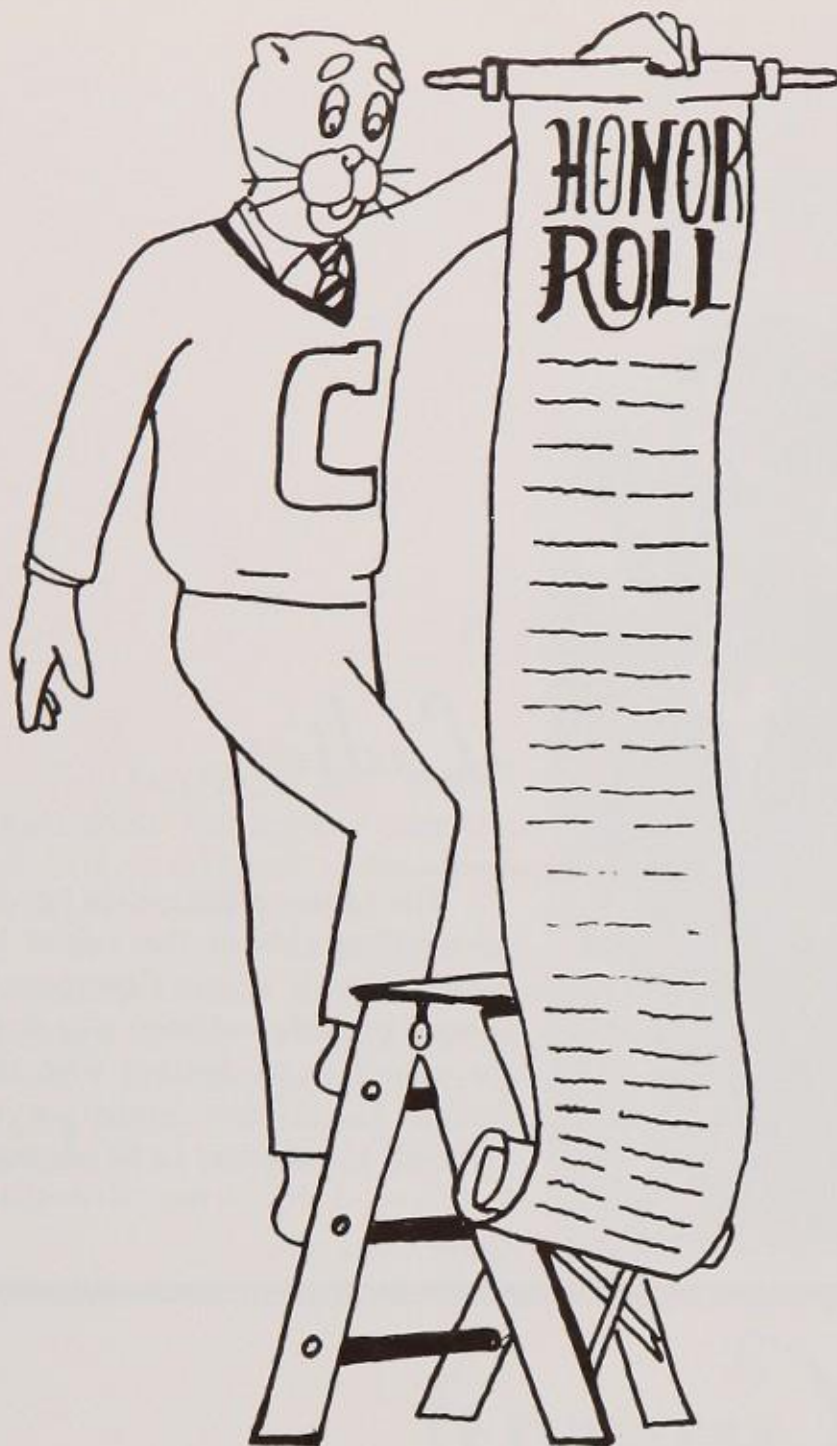

Service Groups

The Squires and Maidens are 11th-grade honorary service organizations. In many ways they prepare members to become Knights and Ladies. Both provide needed service to the school and the community.

Members have ushered at school events and helped such community organizations as the American Cancer Society, Foundation for the Junior Blind and the Exceptional Children's Foundation. Membership is based on a report card free from Fails, D's and U's and on approval from sponsor & the other members.

Members and officers of the Squires are Vice-Pres. Errol Brown, Pres. Russell Counts, Treas. Everett Bell and Sgt.-at-Arms John Osborne. Sponsor is Anthony Solomon.

Drama and Play Production

The Drama Dept. presented three major productions. In the fall, they did "A Raisin in the Sun," which played to much critical acclaim. During the spring, Kenny Long directed an evening of Black scenes, poetry & essays called "Collage," and Miss DeMirjian directed the final production.

Play production is the advanced course in Theatre Arts which is geared to all aspects of producing & mounting a play to be performed in front of an audience. It includes instruction in how to prepare for work in the professional theater and the film & television industries.

Yearbook

The yearbook staff took the task of collecting all the memories of 1979-80 and creating one of the most memorable Cougar's Paths ever. Whenever there was an event involving Crenshaw, the blue & gold shadow of the Cougar's Path was closely behind keeping track. We were there in September & we will be there in June, working ever harder to maintain the high quality of the Cougar's Path.

Exciting Colorful Sea Greets Homecoming '79

A sell-out crowd, a sea of blue and gold, burgundy and gray, powder blue and black. Excitement. Spirit. Old friends. Anticipation. All of this was Homecoming 1979.

Preparations for the big day began well in advance, as club members prepared their entries for the parade. A lot of time and effort went into decorating these cars. Each could have won a prize, but it was the Future Business Leaders of America that took home the grand prize trophy. In a close race, Senior Cabinet took second and the Ladies came in third.

After the parade, the crowd was honored with the presence and remarks of past and present Crenshaw personnel and community leaders (see picture, p. 95).

Our beautiful Homecoming Court was adorned by Natalie Taylor, 10th-grade princess and her escort, Prince Torrey Payne; Terri Potlongo, 11th-grade princess and her escort, Prince Ernis Morris. Angela Walker and Tawanda Duck were the Senior princesses, attended by respective escorts Flanoy Garrett and Deno Roberson.

BELOW: Their Royal Highnesses Homecoming King Harold Toomer & Queen smile at the crowd as Supt. Eugenia Scott performs the coronation. BOTTOM: The 1979 Court: 10th Grade Prince and Princess Torrey Payne & Natalie Taylor; 12th Grade Prince and Princess Deno Roberson & Tawanda Duck; King and Queen Harold Toomer & Rebekkah Karriem; 12th Grade Prince and Princess Flanoy Garrett & Angela Walker; 11th Grade Prince and Princess Ernis Morris & Terri Potlongo.

Queen Rebekkah and King Harold Preside As Cougars Confront Potent Palisades Dolphins

The Homecoming Queen was Rebekkah Karriem and the King was Harold Toomer. The Royal Couple received their crowns from Mrs. Eugenia Scott, Area 4 superintendant.

Following the coronation, the crowd set itself for an afternoon of hard-hitting action. Crenshaw was hosting the Palisades Dolphins, the defending Western League Champions.

Coming in, Crenshaw fans remembered that our football team had never beaten Pali and this could be a most significant victory. As the Cougars stamped onto the field before kickoff, there was a feeling of confidence among them, that they could win.

The home team jumped out to a 12-0 lead before halftime, and the crowd sensed an upset. But just as quickly as Crenshaw had gotten

ahead, Palisades re-took the lead, 13-12. With time ticking away, it looked as if the Cougars would lose the Homecoming Game and all our high hopes would fall from the sky. But Crenshaw scored again to make the score 18-13 and send the home side into a frenzy.

Now seconds remain and the game is not won. Palisades still has time to score and send Crenshaw fans home unhappy for yet another year. With the clock running out, Pali has four downs to score and they are deep in Crenshaw territory. First down. Pass dropped. Second

down. Pass incomplete. Third down. Pass deflected. Fourth down. A massive rush. Their quarterback is in trouble . . . He fumbles!

A Crenshaw linebacker scoops up the ball and rambles 94 yards for the touchdown that ices the game. As he crosses the goal line, the field is overrun by an ecstatic crowd of students, alumni, band members, spirit groups and teachers.

The Cougars' dream finally comes true: a 24-13 victory over the formidable Palisades Dolphins at Homecoming.

RIGHT: Student Body President Carole Pinkney addresses the crowd. BELOW: Art Production "lets its colors shine." Honored guests included (front) CBS Sportscaster Jim Hill, former principal Sid Thompson, McDonalds owner William Mann, former asst. principal Virginia Hairston, Area Aupt. Eugenia Scott, (back) PTA President Danielle Fleming & her daughter Gabriella, former teacher Robert Thomas, former principal Daniel Austin. Shown in crowd are Band and Drill Team members.

Our Team, Faces and Spirits Shone On a Homecoming We'll Remember

The impressive victory created a party atmosphere at the Homecoming Dance that night. The Multi-Purpose Room was filled to capacity as a den of happy Cougars came out to celebrate the triumph and the occasion.

At midnight, Homecoming 1979 came to a close. That day is a permanent memory; it is a part of us forever. Homecoming 1979 is indelible in our hearts.

"Disappointment" Describes Gridiron Season

If there were one word to describe the 1979 football season, that word would be "disappointment." After an excellent start (winning 4 of 6 games, including victories over Dorsey & Palisades), it appeared we were on our way to the playoffs & a league championship. Then disaster struck, as we went winless in our last 3 games.

While the Cougar defense played championship-caliber football all season, the usually steady but young Cougar offense suddenly & uncharacteristically forgot how to score. Committing a rash of critical errors every time it neared the opponents goal-line, the Cougars went scoreless in their last 3 league encounters, losing these games by a combined score of only 16-0.

Nevertheless, we were blessed with some outstanding

football players in 1979, including 10 all-league selections. Seniors in this group were Darryl Urser, Ricky Benjamin, David Bowdre, Jonathan Brown & Jeff Wooton. Undergraduates making all-league were Lloyd Hawthorne, William Carter, Marcus Smith, Dexter Levy & Clifford Madison. Other outstanding players on the '79 Cougar varsity included Robert Thomas, Ed Barnes, Tyrone Gary, Mitchell Harris, Mario Ellis, Reggie Thornton & Johnny Lockett.

With a good nucleus of 10th- & 11th-graders returning for the 1980 campaign, the Cougars once again appear to have a real shot at that elusive championship.

New League Set-Up For City Football

Football fans looking for such familiar old opponents as Westchester, Hamilton and University would have been disappointed this year. They just weren't in Crenshaw's league.

The whole district was "re-leagued" in 1979 in order to create more balanced competition. As a result, only Palisades and Venice remained on Crenshaw's schedule as fellow members of the new 4A Division's League C.

Another reason for the new arrangement is to promote integration in sports. It gives schools the chance to play teams from different cultural backgrounds. So from now on the Cougars will get to play Bell and South Gate from the southeast area and Wilson from the east.

This relegating was made only for interscholastic football.

William Carter, Teddy Lancaster and David Bowdre express jubilation after a big play for the Cougars.

Cross-Country: A Rebuilding Year

This year was one of rebuilding for the Cougar varsity and junior varsity Cross Country teams.

The varsity squad was led by Howard Gardner, Flanoy Garrett and Renwick Wright, with backup supplied by Douglas Long, Arthur Williams and Kelvin Bragg. Junior varsity had Derrick Creecy leading the way, with Jerome Torrence, Reynaldo Husband, Michael Farmer and Aaron Simpson rounding out the five-man team.

Next year may be very exciting, considering the return of all but four competitors and additional strength coming up from a promising tenth-grade team.

Varsity

10th Grade Team: Strong

The tenth-grade Cross-Country Team was the strongest it's been in recent years, and despite a mediocre dual meet season the gentlemen displayed excellent achievement. Two top men were William Hart and John Evins, with strong performances also coming from Eric Futch, Terence Reed and Marc LaBrew. Rounding out the team were Terence Goods, Leon Walker, Rob Cordoba, Mark Gant and Leslie McKnight.

If the gentlemen continue working and return next year to join their returning varsity and JV teammates, Crenshaw may surprise many opponents in the dual meet season.

The varsity basketball team started the 1979-80 season seeking an unprecedented third consecutive City championship.

Its first game of the season was a matchup against another perennial powerhouse, Verbum Dei. Led by Kenny Fields, Verbum Dei outscored Crenshaw 18-7 in the first half, finally winning by two to hand Crenshaw its only loss of the season. From then on, the Cougars had a relatively easy time making the playoffs. They dominated the pre-season Banning Tournament, beating Dorsey, Washington and Jefferson. Junior center Gary Maloncon was named the tournament's Most Valuable Player.

Crenshaw beat its Western League opponents by as much as 30 points. They did it by dazzling them with the awesome fast break that has become a Crenshaw trademark. Hamilton (third-ranked in the city) was Crenshaw's toughest league competition, matching the Cougars' tough defense & unrelenting offense with its own version of the "raw Shaw attack." Hami pulled within one point with 10 seconds left in the game, but at the final buzzer Crenshaw led, 71-70.

The season's last game, against Hamilton, was billed by local newspapers as

A Proud Coach's View of an Outstanding

No one can ever predict how a season would begin & especially how it's going to end. However, this team would predict its present & future and bear upon itself the burden of being the number one team in the city — a task that is not only difficult to acquire but even more difficult to maintain. Nonetheless this team, the Crenshaw High Cougars, would prevail.

With four returning members — Franklin Rhodes, Harold Toomer, Gary Maloncon & Robert Hill, this team would be the toast of the city. Given the pole position by many writers and sportscasters, as well as by some rival coaches, meant that working hard to remain in that position

would mean additional talent was necessary. The team received that talent from its Junior Varsity: Patrick Sandle, Anthony Chatman, Darryl Strawberry, Rabon Rankins, Lloyd Scott, Dwayne Franklin, Jerry Leopold & Lenard Sapp, plus from the Bee team, Alphonso Reed & Mark Smith.

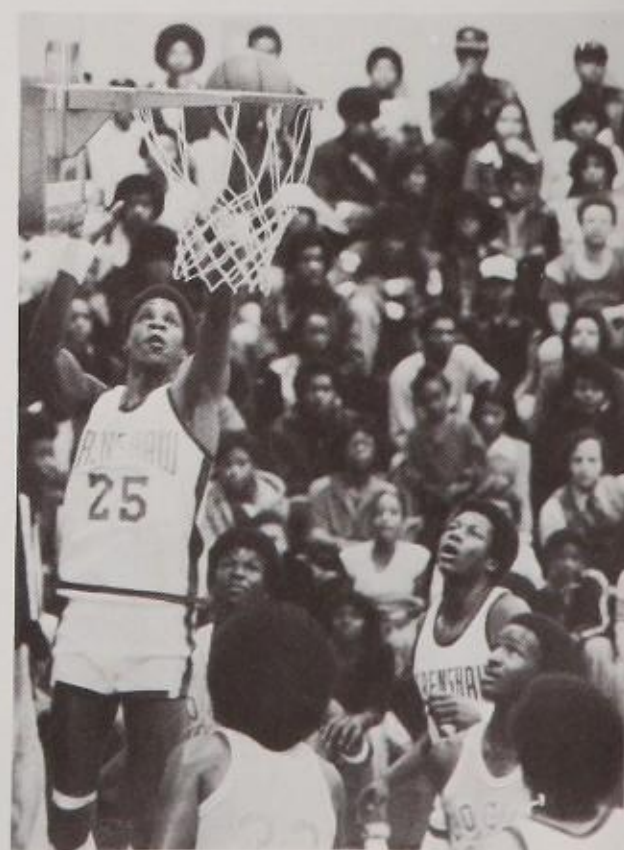

This was not just another ordinary season, with Crenshaw setting its sights on winning the Western League championship. But would it be able to do what no other team has ever been able to accomplish and that meant being able to win a third consecutive Los Angeles city championship?

Under the leadership of head coach Willie West & assistants Joseph Weakley & Johnny Rogers, one of the most

successful teams in Los Angeles emerged and won 19 straight games after losing its first game.

During this time the Crenshaw Cougars won the Banning Invitational Xmas Tournament, the Western League crown going undefeated 10-0, and the L.A. City 4-A playoffs with Rhodes, Toomer & Maloncon named to the All-Tournament team. Maloncon was co-most valuable player.

Congratulations to all players for a fantastic year.

Once More Down the Road to Pauley, Once More Back with the City Crown

The two-time defending City Champions opened the playoffs seeded first and wasted no time in proving why. Led by guard Franklin Rhodes' 20 points and forward Darryl Strawberry's 14, the Cougars routed Locke, 81-57.

Jefferson High was the next victim of the Raw Shaw attack. The Cougars reeled off ten straight points at the start and never looked back. With Harold Toomer (28 pts) & Gary Maloncon (26) leading the way, Crenshaw demolished the Democrats, 110-90.

The next step was the semi-finals at the Sports Arena. The Banning High Pilots were high on upsetting the #1-ranked Cougars. But that was not to be as Crenshaw jumped off to a 12-0 lead & put out the Pilots' lights. Four players were in double figures: Maloncon (26), Rhodes (24), Guard Patrick Sandle (12) & forward Raybon Rankins (10). The sharpshooting Cougars (51%) shot down the Pilots, 92-68.

Crenshaw then returned to Pauley Pavilion to confront the Kennedy H.S. Golden Cougars. The 7,000-plus fans were kept in suspense as Kennedy jumped out to a 20-8 first-quarter lead & led 38-31 at halftime. But as they say, you can't keep a good team down. The Cougars came roaring back, blitzing Kennedy 66-62.

It was Crenshaw's third consecutive city championship and sixth in the last 10 years — both records. Outstanding in the game were Maloncon & Rhodes (16 pts), Toomer (14), Strawberry (10) & guard Leonard Sapp.

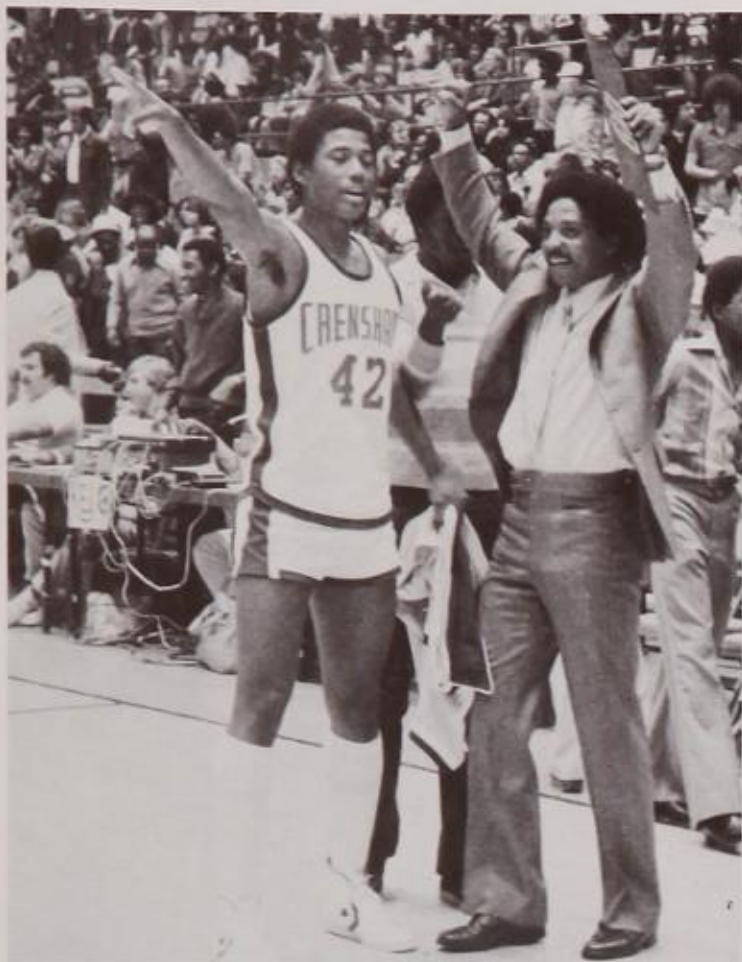

Maloncon & Rhodes were named to the All-Tournament first team; Toomer made the second team. Tournament Co-MVP was Gary Maloncon.

Cees' 10-0 Record Makes History

The Cee team was the first in school history to go undefeated in league play, claiming the Western League crown with a Perfect 10-0 record. Combining a precision fast break & patient offense with a strong man-to-man & deadly zone press defense, the Cougars marched through the league. They were led by guards Co-Captains Earl Patterson & Norman Brown, center Edward Perry, Forwards Rod Thomas & Curtis Harding. Bruce Rucker, Russell Moore, Aaron Terry, Alan Bloodsaw, Victor Trammell and Kevin Johnson also contributed greatly to the team's outstanding success. Patterson was tops in scoring and assists, while Edward Perry led in rebounds.

Two Crowns in a Row

Winning two consecutive League championships is something no Cougar B team had ever been able to do. But repeat as champions they did, as the 1980 Bees came back from an opening-game loss to win eight of nine games and claim the Western League crown.

Displaying total team effort, this team emerged as the league's top defensive team. Led by Co-captain Eric Baker's outstanding shooting, Co-captain Darnell Johnson's leadership & passing and Sophomore Mac Osborne's rebounding, the Bees also benefited from Juniors Barry Wooden, Alfred Kelley, Chris Pruitt, Derryl Hollier & Joe Bruce, plus Sophomores Charles London, Darryl Ogden, Kenneth Strode, Gary Nettles (our enforcer), Kevin Finister & Andre Spencer. Each one contributed greatly, and each received his championship trophy.

MVP's were seniors Eric Baker & Darnell Johnson; along with Mark Osborne they were named All-League. Charles London was Most Improved & Chris Pruitt Most Inspirational. Congratulations to all on a fine championship season.

JV's Continue Winning Ways

If this year's junior varsity was just a carryover from past JV teams, it also carried over their winning tradition. With a 13-0 record, the Cougars easily took the Western League Crown.

Starters were guards Randy Hodge & Arron Montgomery, forwards Paul Smith & Craig Green and Center Carlos Monroe. Leading the team in points (21.1 per game) & free throws (7.1) was Nathaniel Carter. Green had most rebounds (8.5) & steals (1.9), while Hodge led in assists.

Varsity Looks to Repeat as Western League Champs

The varsity track team hopes to repeat as League Champions in 1980. Leading athletes for the varsity are Greg Denby, holder of the varsity record 7' in high jump, and Dwayne Franklin & Jimmie Crittenden in the sprints. Other standouts are 10th-grader Mac Osborne in middle-distance races (Bee 880 record 2:00:9) & long & triple jump, Donnie Jackson in the pole vault (Bee record 13'9"), Darryl Urserly in the shot put & Howard Gardner (Bee mile record 4:47:3) in the distance races. Other athletes who will give support are sprinter Ezell Mayfield & Chris Barr in the 440, relays & hurdles. Distance men Doug Long & Arthur Williams, relay man Roger Falconer & shotputter Anthony Williams will also add points.

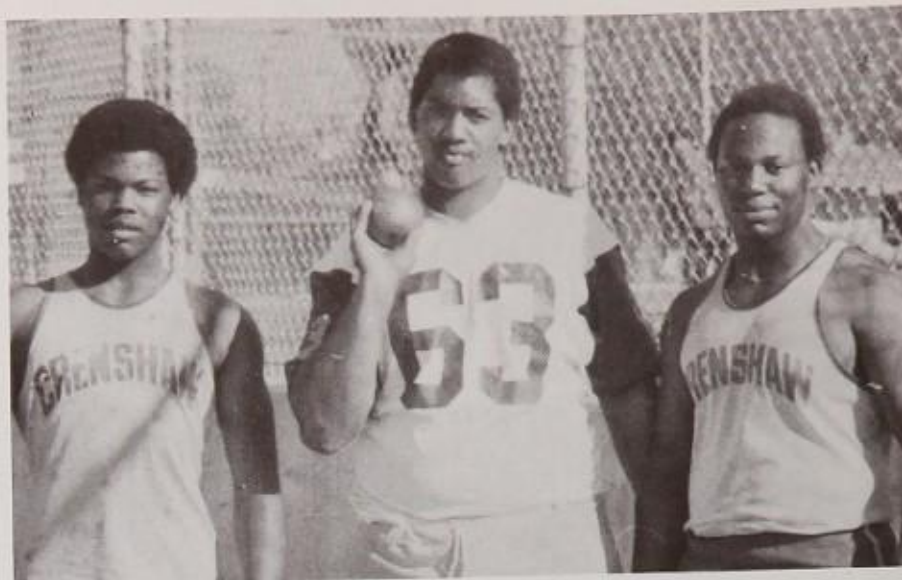

Greg Denby returns as the defending Varsity city high jump champion at 6'10". Denby has already jumped 6'10" indoors & 7' outdoors this season. He has a definite chance for national honors

Tenth-grader Macarthur Osborne is a fine new talent who has already erased Jeff West's 10th-grade Bee 880 record. The new record is currently 2:00:9. For the record: Jeff West set a national high school record in the 800 meters last year at 1:48:2, and was named high school All-American. Congratulations to him and his coach Merle McGee. Jeff also set school records in the 880 (1:50:5) & mile (4:22:7).

Donnie Jackson ('79 league pole-vaulting champion) continues his winning ways & has a good chance of winning the city title this year. Howard Gardner (brother of Gwen Gardner, the nationally ranked sprinter & the Crenshaw record holder in the 220 & 440) shows good potential as a distance runner.

Yolanda was '79 league champion in the shot put & is learning the 110 low hurdles this year. In this event she has a fast pair of shoes to fill — those of Lori Dynes, '79 league leader with a school record 14.75. Team Sets Sights for Top; Record Holders Should Help

The girls hope to win their first league championship this year. They were second last year, losing only to city & state champion Westchester.

The Cougarettes are led by Yolanda Fletcher, who does everything to field events and a corps of good runners. Linda Rock ('79 440 champ), Cheryle Wilson (who concentrated on relays & was on the '79 league leading 880 medley relay team with Rock) & newcomer Roz Bowie should do well. Connie Crowell will provide valuable support in relays. The school record mile relay (4:02:7) is held by Crowell, Rock, Wilson & Bryant. Sheri

Grady will help in the shot put.

Other girls working hard to help the team are Yolanda Rock, Henrietta Ricks & Margo Willis in relays, Angela Lowe in shot put, & distance runners JoJo Hervey, Anita Anderson & Susie Curtis. Hervey & Anderson will run the distance races vacated by the graduation of triple school record-holder & defending 880 league champion Carol Bryant (880 in 2:18.7; mile in 5:35.6 & 2-mile in 11:57).

KAREN ELAINE POINTER

Congratulations to Our Daughter

Words are inadequate to express how proud we are of all your honors, loyalty & diligent efforts made in all areas of studies.

May the Love of God, our Prince of Peace, guide you and protect you always, and success follow you now and forever more.

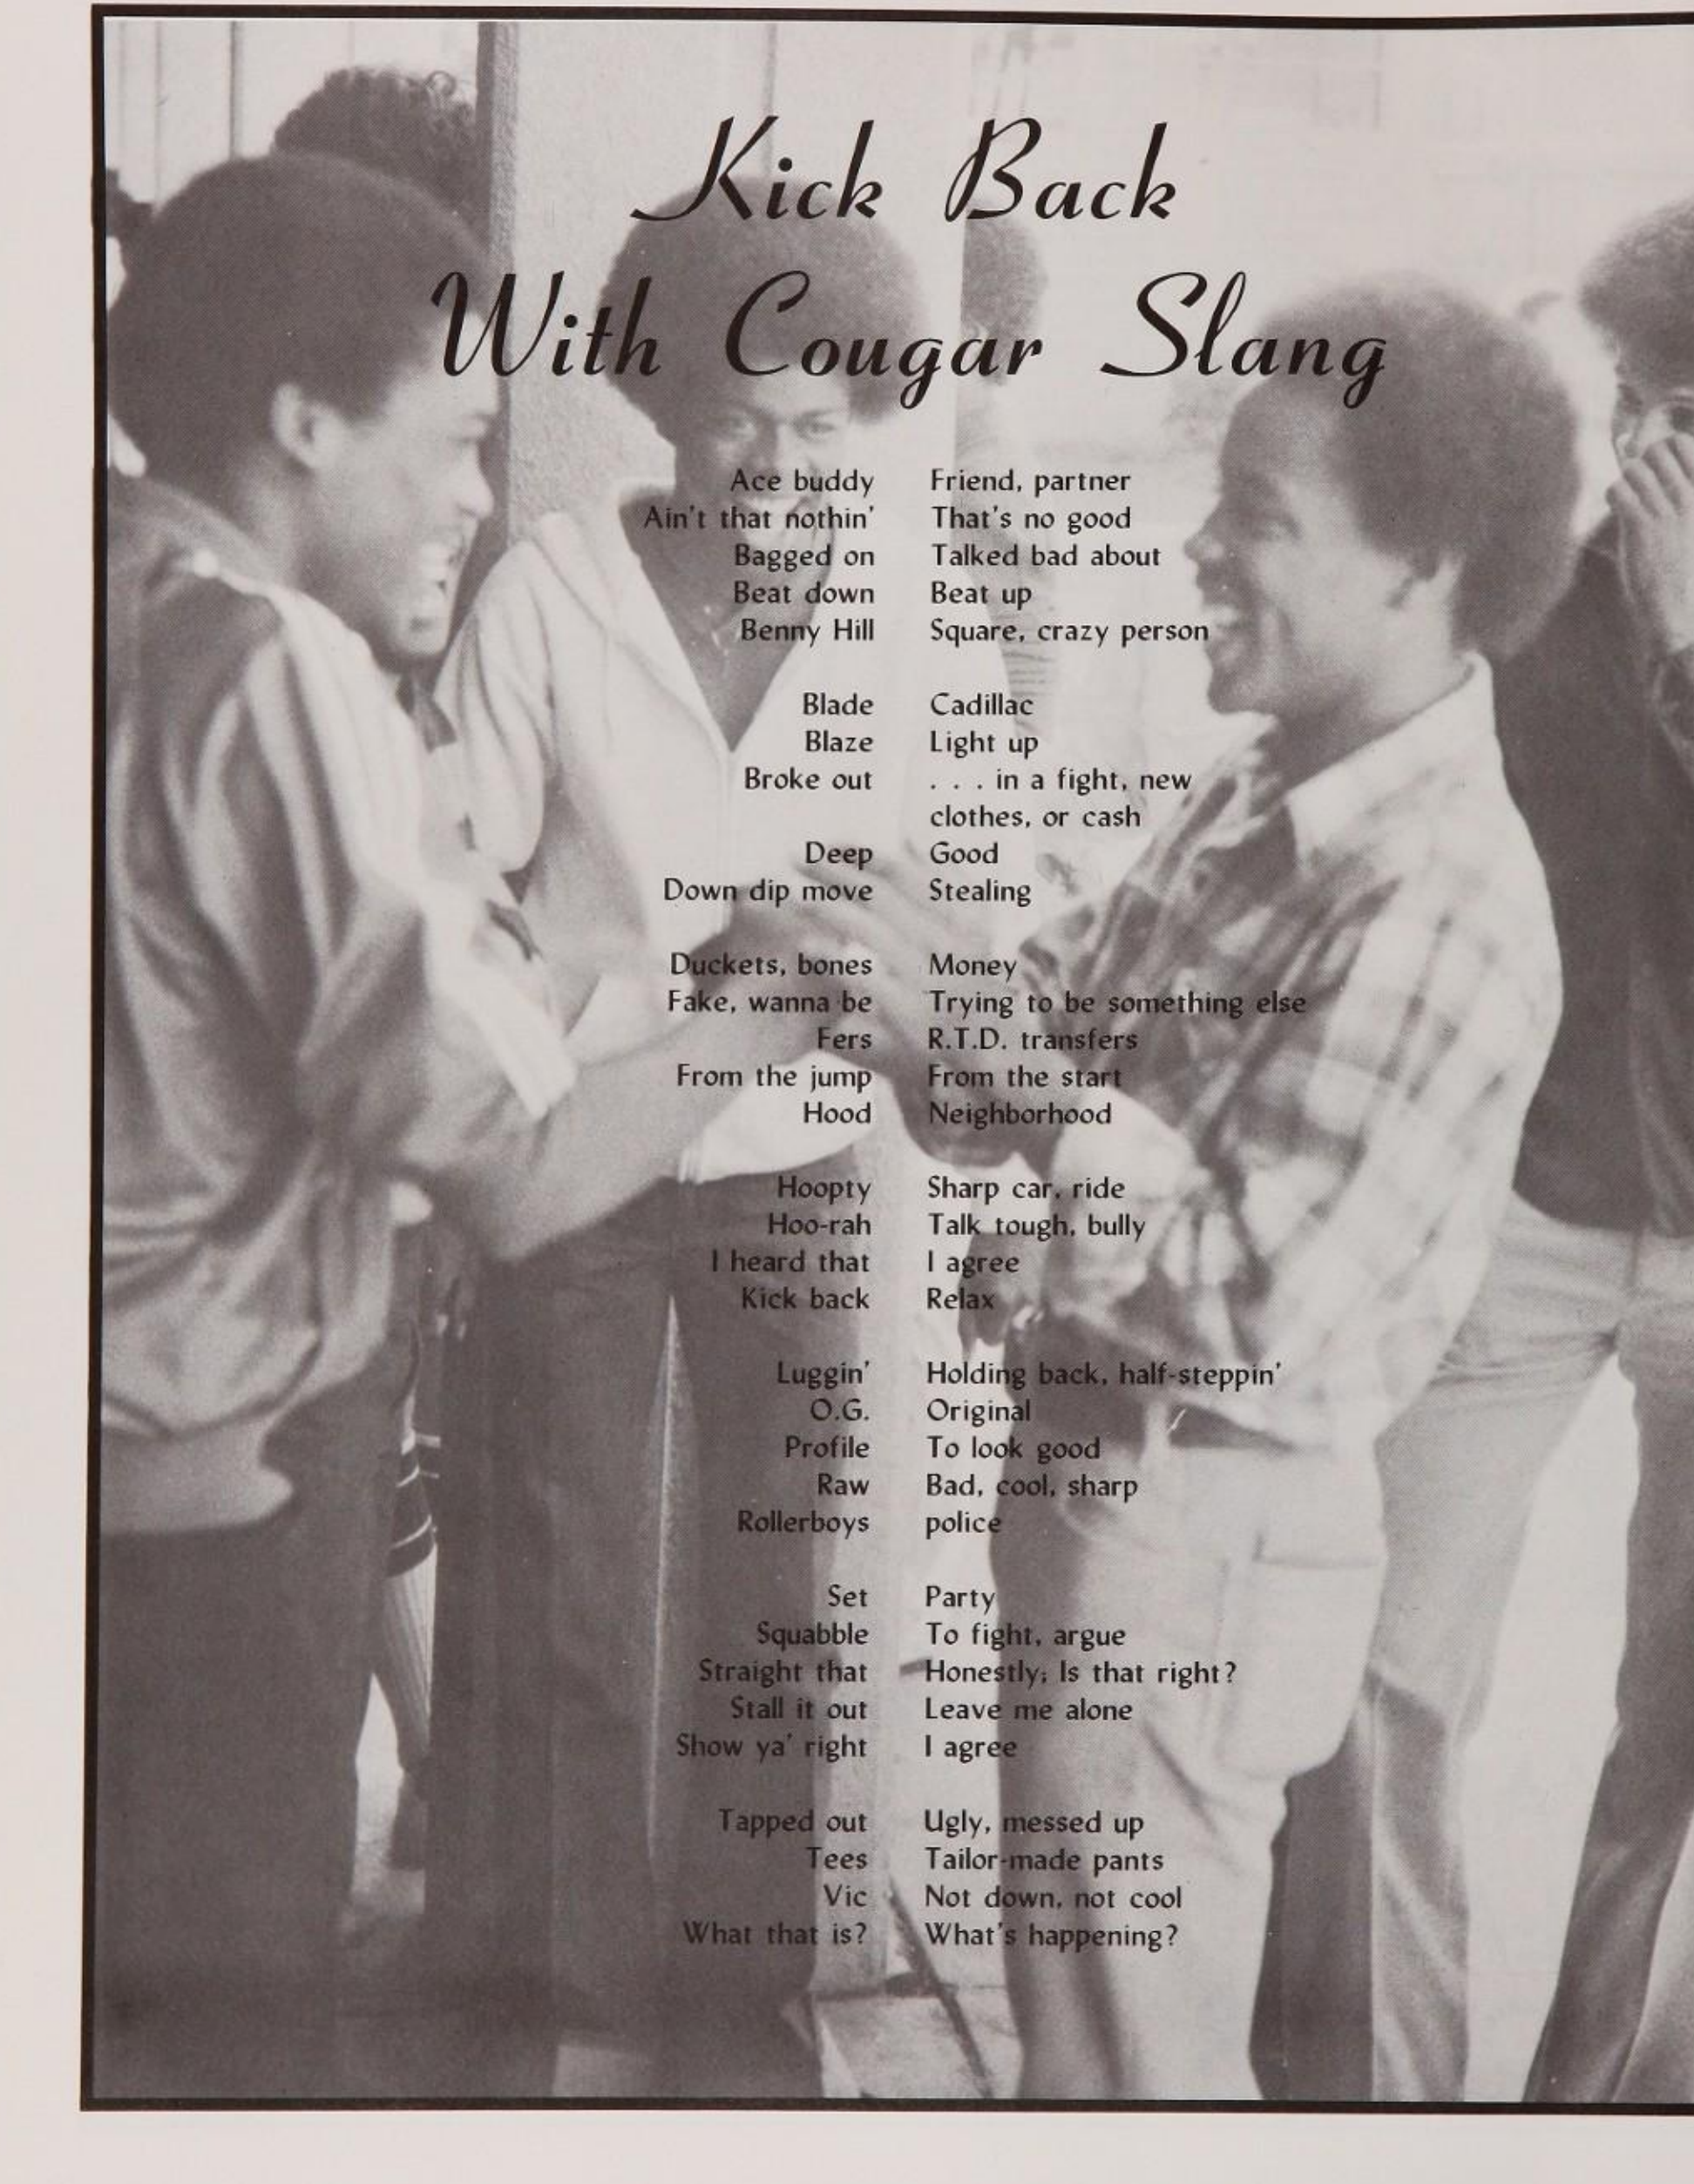

Our devoted love,
Mom, Dad & Grannie Maggie
& Deanie

Congratulations to my Darling Niece

Karen, I have always been proud of you and saw a true winner long ago. Keep on keeping on, and you will reach your highest goals.

I am proud to say you are a part of me and mine.

Lovingly yours,
Aunt Jennie & Uncle Bill
Mark & Lynn & Frostie

A Message from the Principal

You are the first graduating class of the Eighties. You are the young scholars who are embarking upon a decade that has the largest number of unsolved problems of any young adult in the history of mankind.

Your challenge for the Eighties should be to initially work hard to learn a saleable skill in the next few years. Yes, education, technical training, and skilled learning will make a difference for you.

Again, you will be called upon to solve our energy problem, international hunger, local unemployment, mass transportation, housing, and family life styles. I trust that the great minds that are being developed in this class will provide many of the solutions to these serious problems.

The faculty, staff, and administration salute you who are

concerned about learning for the future. We pray that you become the models that are needed to prove that an education at Crenshaw High School stimulated your thinking, inquiry, and assertiveness.

"Las Grandes" class of 1980, this high school wishes you good luck in the years to come!

Sincerely,

Dr. Lionel H. Joubert

"Hey-y, burp, giggle, hiccup!"

"Would you care to dance?"

"Is this REALLY Candid Camera?"

To keep a big school like Crenshaw going, it takes a large number of people besides faculty and students. Cafeteria, custodial, clerical and other support staff make our journey along the road smoother. On this page are just a few of the people who do so much.

We, the mighty seniors of 1980, have at last blossomed. Where do we go from here? That's a question that only each of us as individuals can answer.

May your life be successful, filled with happiness & joy. May your dreams become a reality.

Farewell to each and every one of you, Las Grandes — class of '80.

And the Road Leads On . . .

In the course of our lives we will travel many roads. Every change and new beginning will bring us to a new road. This year we have been traveling on a road of "Blue and Gold."

This is a road which at times became rough and seemed long. It is a road which daily offered new challenges and experiences. And it is a road which will form many of the opinions, and give us the knowledge, that will prove to be necessary for survival in the future.

During our journeys we will encounter many new experiences; some positive, others not. But all of them will help build our endurance and strength, so that when we come to the end of our journey we can look back on the time we spent traveling this road of Blue and Gold as the best years of our lives.
